## SKY & WATER

Portavadie's unique location offers the best of Scotland's west coast, with stunning views, romantic sunsets and dramatic scenery. It is a glorious backdrop for your big day.

Suitable for parties of up to 120 guests, our luxurious marquee is a fabulous venue. With a ceremonial walk along the boardwalk and a terraced area for drinks and canapés, this private space nestled in the heart of the marina is a wonderful place to celebrate your wedding.

Our Barclay & Revie suites are also available for exclusive use for smaller parties of 30 to 60 guests. They have a stylish, contemporary feel and an outdoor terrace.

We can also arrange for the bridal party to arrive on a luxury cruiser, and for a special intimate ceremony, the bride and groom can exchange vows on the viewing deck. The choice is yours.

SIMONA & RICHARD

*We could not fault a single thing - the venue was stunning, the setting was just beautiful, the food was divine and the staff were outstanding.*

## DANCE & DINE

The finest produce from Argyll's larder, sourced from land and sea, will provide an unforgettable menu. Enjoy Scottish salmon expertly smoked on the shores of Loch Fyne followed by roasted loin of venison from Winston Churchill's estates in Argyll. Or for something a bit different, how about a spit-roasted hog or a seafood barbecue?

No menu would be complete without the addition of impeccably selected wines to complement your cuisine – another perfect match for the day. Finish your meal with a selection of liqueurs, or for a special treat, our own Portavadie Malt.

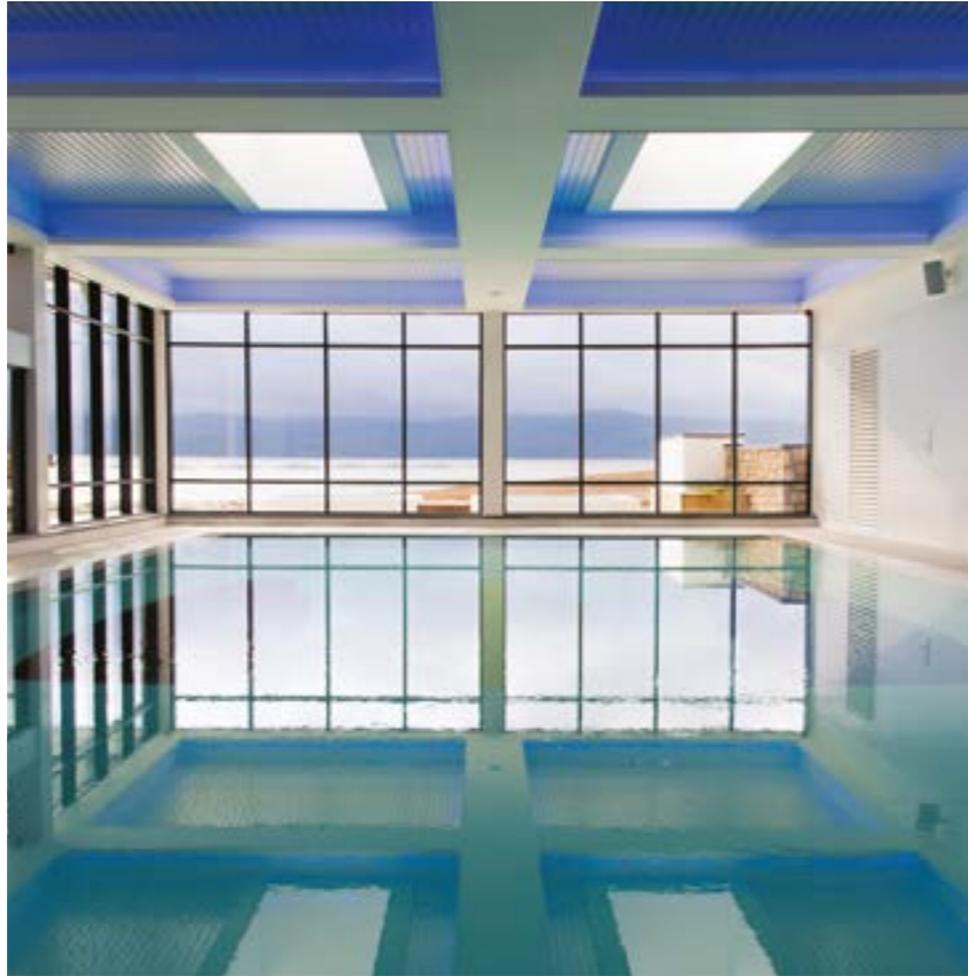

LORI & JOHN

*Portavadie's wedding co-ordinator and his friendly staff did a splendid job. Everything flowed seamlessly, without a hitch.*

## RHONA & GARETH

*Our guests were completely bowled over by every aspect of Portavadie and its accommodation, with many vowing to make future visits.*

## STAY & INDULGE

Our new Spa and Leisure Experience is the perfect place to relax with your guests. There's an outdoor infinity pool, an indoor pool, splash pool, spa pools, sauna and gym, plus a range of spa treatments. Spa and Leisure at Portavadie is open to all visitors

We also know the girls enjoy special treatment on the big day. We have just the thing: your very own relaxing pamper room, where you and your guests can savour a few special moments together and indulge in a glass of fizz, a massage and a manicure.

The unique thing about Portavadie is the range of accommodation that you can book exclusively for your guests. They can berth in our marina, stay in The Lodge, which caters for families, individual guests and groups of friends, relax in the pet-friendly cottages or unwind in the luxury apartments, complete with sauna suite and views of the marina or Loch Fyne.

After the celebrations, you might want to stay in Tighnamara, our secluded Couples' Retreat. As your special day draws to a close, you can return here for Champagne and (fingers crossed) a star-filled sky.

## STAGS & HENS

Portavadie is a great place to get away for a few days or more, and relax with your girlfriends or blow off steam with your mates.

This part of the west coast of Scotland is one big outdoor playground. We can arrange quad-biking, sailing, boot camp, high-speed RIB tours, fishing, walking, kayaking, golf, cycling, zorbing, deer stalking and more.

Unwind with your friends in our Spa and Leisure Experience, enjoy a glass of Champagne and indulge in a spot of pampering.

## GATHER & ENJOY

Whether you are planning your big day or just another big do, we can create the perfect package for your celebration. Fancy sunset cocktails and a barbecue on the deck? Or perhaps you would like a sumptuous dinner with family and friends in our restaurant?

Our range of accommodation provides something for everyone. Treat yourself to a five-star apartment complete with floor-to-ceiling windows, sauna suite and a balcony or terrace. Or bring everyone together under one roof in the relaxed and contemporary Lodge.

With all this choice, you really can make a party of it.
