

Welcome

As dog owners we know how hard it can be to find great accommodation that welcomes you and your whole family – including your dog! That's why we've made Portavadie as dog friendly as we possibly can.

To make sure that you and your family have a wonderful time, we thought it might be helpful to outline a few house rules to your pooch.

So doggies, listen up and have a great holiday!

Dos

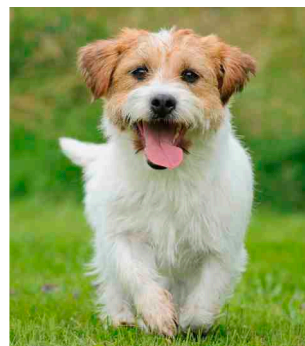

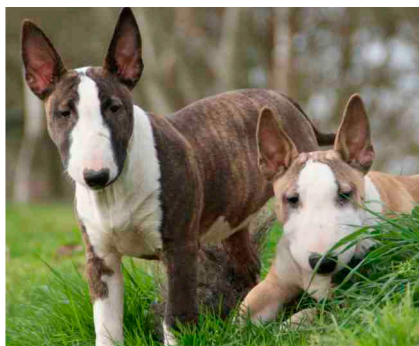

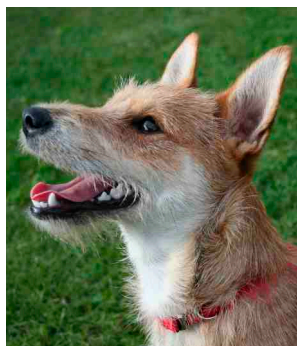

- We'll provide you with a bowl for your water and some treats, but do remember to bring your own bedding, towels, feeding bowl, leash and your favourite toys.
- Do make sure your owner uses the doggy poo bags and bins situated about site.
- There are lots of exciting places for you to walk, but we do need you to stay close to your family and always have your leash on when exploring Portavadie.
- If you've been for a swim in the sea, do make sure you get a good rub down before you go inside.
- If you're well behaved and dry, you're welcome in the Marina Restaurant and Bar.

Don'ts

- We know it's fun, but please don't jump on the beds or furnishings or cause any damage. Remember, your owner is liable for any damage caused!
- We'd prefer it if your owners don't leave you alone in your accommodation. If you have to be left for any length of time, get them to inform our reception team.
- Although it's tempting, please don't run about on your own as we wouldn't want you to get lost or hurt – remember there is a road nearby.
- Unfortunately the luxury apartments and lodge bedrooms are out-of-bounds. You are, however, welcome to visit or stay in Tighnamara, Cottages and Studio Apartments.
- Sadly you're not allowed in the Leisure Café or Lodge Kitchen and Bar (although, in nice weather, you are welcome on the covered deck at the Lodge Kitchen and Bar).

Other doggie matters

- Guide dogs are allowed everywhere.
- Maximum of two dogs per studio apartment or cottage.

Vet

We're sure you'll have a great time but,
if you do run into trouble, you can
contact the Cowal and Bute Veterinary
Surgery in Dunoon on 01369 702532.

Doggie dos and don'ts
